

# NANCY F. WELLS BELMONT OPENING FEATURE

## Daughter of Sweep Leads Field in Tomboy Handicap Yellow Hand Victor in Manhattan Handicap, Defeating Tryster and Mad Hatter. Thunderclap Takes First Race.

By ED CUMLEY.

**NEW YORK, Sept. 2.**—Nancy F. Wells carried the colors of Frank J. Farwell to victory this afternoon in the Tomboy Handicap at Belmont Park. The daughter of Sweep purloined everybody by carrying 121 pounds and making every post a winner. In most of her previous appearances she was out in front, but generally stopped.

The hot weather must have had a good effect on the filly, for she stuck out the distance in queenly style. She covered the five and a half furlongs in 1:04 4-5, which was not so bad.

Several lengths behind her came Mary Patricia, then Prodigious, both neglected outsiders. Nancy F. opened a 2-to-1 favorite, but on account of her fondness for quitting at five furlongs she was passed up and was as good as 4 to 1 at the close.

Emotion, the fleet filly sold to Monford Jones by John E. Madden, was the magnet of the play. On account of Sande being in the saddle Emotion was liked very much, but she was never in the running. My Rover was another favored daughter. She was prominent for a half, and then was forced to stop. The stake was run down the straightaway course as the conditions called for.

**Nancy F. Draws Away.**

The big field spread all over the course and looked pretty as they came dashing to the wire. When they got clear view Nancy F. was in front on the outer rail. As she flew past the clubhouse she drew away from the bunch and went on to win by a length.

Yellow Hand carried the silks of Charles A. Stoneham over the winning line in the Manhattan Handicap. Tryster, the Whitney colt, was second, and Mad Hatter finished third. Yellow Hand ran the mile in 1:36 flat, which is two-fifths of a second slower than the track record. Yellow Hand was a 5-to-1 shot, with Tryster at 4 to 1. Mad Hatter ruled a hot choice at even money.

In the running of the race Mad Hatter met with all the hard luck possible. Off poorly, he was forced to run against the rail, with Yellow Hand just enough in front to prevent Mad Hatter from coming through. When they swung wide on the turn Sande drove Mad Hat-

ter through the opening and got within a head of Tryster. Yellow Hand came along and took part in the struggle, and Mad Hatter was another position where he could not break through. He was forced to pull up as Tryster bore over. This gave Yellow Hand a clear field, and enabled Tryster to get second money. Careful, who set the early running with Tryster, dropped out at the home turn, beaten.

**Sande Rides Thunderclap.**

It was a fitting tribute that Sande, the champion, should come down the alley a winner with Thunderclap in the first race. It was also a very cheerful sight to the crowd, for Thunderclap was backed from 7 to 10 to 1 to 20.

In the running, Peter Piper cut out a merry swath to the eighth pole. At this point Sande slipped past with Thunderclap, and went on to victory. Routledge nodded to Peter Piper out of second money. Thunderclap ran the six furlongs in 1:10 5-8, only one-fifth of a second slower than the track record.

### HAGERSTOWN RESULTS

**HAGERSTOWN, Md., Sept. 2.**—A record crowd witnessed a well-balanced racing card at the racing meet of the Hagerstown Fair Association this afternoon. Favorites again had an inning and cleaned up practically all of the events. Bierman furnished the biggest surprise of the afternoon, coming in first in the sixth race and paying \$10.30 for a \$2 mutual ticket.

The other surprise of the day was Dairyman, who came right back and repeated in the third event. The mountain air of Maryland's up-state city seems to have rejuvenated Dairyman, for the longer he stays here the better he gets.

## WASHINGTON ELKS BEAT LYNCHBURG

**LYNCHBURG, Va., Sept. 2.**—The Washington Elks defeated the local Elks here today, 3 to 0, in a pitchers' battle between Owen, of Washington, and Parcell, of Lynchburg. ## GRIDIRON NOTES.

**NEW YORK, Sept. 2.**—"Red" Lambert, former celebrated end at Princeton and classmate of Frank Glick, recently appointed head football coach at Lehigh University, today was named end coach of the Brown and White team.

Ten letter men will be at Quonset Point, R. I. when the whistle blows on September 12 for Brown University's preliminary training camp. All of them report that they are in mid-season form, and Bert Shurtleff, the scrappy center, and tackle of last year's team, is in fine shape. If Shurtleff keeps going he will be a man for Walter Camp to match.

The year's first group of University of Pennsylvania football candidates is expected to report at Franklin Field, Philadelphia, Monday. John W. Heisman, head coach, declares that if a sufficient number show up he may start for Cape May, where early training will be conducted Monday evening, but if not the squad will leave for Cape May on the following day.

Rutgers will begin its preparation for its 1921 football season on Tuesday when forty-five candidates are expected to report to Coach George Foster Sanford. Veterans, promising substitutes and a small group of likely school boy stars have been summoned by Graduate Manager William P. Ganson. After three weeks of practice the season will open with Ursinus on September 24, while college will open on September 20.
